the Way for Prosperity, He Says at Randle Highlands.

Strong pleas for a greater and more sentative Everis A. Hayes of California, club a new license. the speaker of the evening, called forth

"Washington has great interest for all hear evidence as to how the club is to parks should become more numerous. I at 9:30 o'clock. have never voted against a park appropriation for the District of Columbia

since I have been in Congress." Mitchell, president of the organization, adopted a resolution that the Commissioners be requested to recommend to Congress the establishment of a chain of parks about the city, and that such action be taken before all the available park sites are stripped of their natural beauty through their subdivision and the erection of buildings thereon. In introducing Representative Hayes to the association, Col. Randle said he had

ever been a consistent friend of the District and its best interests, and that he was a believer in suburban life. Mr. Hayes Urges More Parks. Representative Hayes asserted that the away California have as much interest in

the beautification and prosperity of this city as have those who reside here. "The men who go out in the suburbs," Representative Hayes continued, "and blaze the way for future prosperity are the real upbuilders, and their sections should have all needed improvements." Mr. Hayes said he was saddened during recent visit to New York to witness the pale and emaciated faces of women and children gazing from the windows of the enements and apartment houses with not a tree or blade of grass in sight. 'You of the suburbs of magnificent Washington are in God's fresh air and sunshine, with beautiful trees, flowers and up a sturdy manhood and womanhood. You have nature's playgrounds for your

children—a place where they can breathe and run and develop in the natural way. Then let us have more parks. If I can help Randle Highlands and the other suburban places to get more parks you can count on my vote and voice. Representative Hayes asserted that the eople of the District of Columbia should have a voice in their own governmentany other system is un-American. "I propose to use what influence I have There are more people in this District

> His Body With Throat Cut Found by Provisions of Will of John Henry Allan Carter-Certificate of Suicide Given.

Lying across a small cot with a deep gash in his throat, a bloody razor nearby of A. D. Bagby, who was found shortly after 3 o'clock yesterday afternoon in a northwest by Allan Carter. That Bagby had planned for some time to take his life was shown by two notes which he left. In one, which was written

in lead pencil, he said: "No one to blame. stated that he had written directions for sian F. and Nancy A. Bailey, \$6,000; the final disposition of his body. He Mary E. Fairbanks, \$2.000. asked that his remains be cremated. This note was also signed. The body was taken to the morgue, where, after making an investigation, Coroner Nevitt gave a certificate of death by suicide It is stated Bagby had become despond-

ent because of the ill health of his wife. He had also been out of work for some time because of his own ill health. last seen of him was Monday night, when he retired. Allan Carter, who had known Bagby for some time, went to the place Monday night, but found the door locked. He went away and did not return again until yesterday afternoon. Seeing a lamp still burning in the place, he forced the door open and after groping his way about in the darkness discovered his friend lying on the cot dead. He immediately notified the police, who took charge of the remains.

When Capt. Hollinberger reached the place he began an investigation and discovered the two notes in Bagby's pockets. Central Office Detectives Cox and Berman were also sent to the place and made an investigation. Bagby was a member of Mount Vernon Lodge, No. 5, Knights of Pythias, of this city. It is expected that that organ-

ization will have charge of the funeral.
